

REACH COMPLIANCE DECLARATION

In relation to European chemical regulation (EC) No 1907/2006 of the European Parliament and of the Council concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH):

Manufacturers and importers have the duty:

- to register chemical substances that they produce or import in quantities more than 1 t/year
- to inform customers if they have Substances of Very High Concern (SVHC), as defined by REACH, in a concentration above 0,1 % (w/w) in their products

Elnec s.r.o. is not a producer of materials, or substances and does not certify compliance of purchased components with REACH. Elnec s.r.o. as the manufacturer of final products, requires all of it's suppliers to supply components complying with REACH only.

Based on stated above, Elnec s.r.o. declares that all products made by the company are in compliance with European chemical regulation.
